PRIORITY MAIL PACKAGE TRACKING

POSTMARKED JULY 30, 2022

Case No. 3:22-mj-235

Filed Under Seal

**AFFIDAVIT IN SUPPORT OF
AN APPLICATION FOR A SEARCH WARRANT**

I, **Joseph L. Rossiter**, being first duly sworn, hereby depose and state as follows:

1. I am a United States Postal Inspector and have been since May 2016. I am presently assigned to the Cincinnati Field Office of the United States Postal Inspection Service, Pittsburgh Division, with investigative responsibility for southeast Indiana and southern Ohio. Part of my responsibility involves investigating the illicit use of the United States Mails in the transportation of narcotics, other dangerous controlled substances, and financial proceeds from, or instrumentalities used in, the sale of such narcotics and controlled substances (hereinafter, "Drugs and/or Proceeds").

2. Based on my training and experience as a United States Postal Inspector, I have become aware that drug traffickers frequently use United States Priority Mail Express (overnight) or Priority Mail (2-3-day) to transport Drugs and/or Proceeds. Additionally, as a result of prior investigations, law enforcement training, and successful controlled-substance prosecutions involving the use of the United States Mail, I have learned of certain common characteristics and/or circumstances that indicate that a package may contain Drugs and/or Proceeds. These circumstances and/or characteristics include, but are not necessarily limited to, the following: the mailer uses different post offices on the same day to send packages, the return address is false or non-existent, the addressee is not known to receive mail at the listed delivery address, the

package is heavily taped, the package is mailed from a known drug source location, the labeling information contains misspellings, the label contains an illegible waiver signature, unusual odors emanate from the package, and the listed address is located in an area of known or suspected drug activity.

3. On August 1, 2022, Postal Inspectors intercepted a package (hereinafter “the Package”) at the Cincinnati Network Distribution Center (NDC). The Package is a Priority Mail large flat rate box, bearing tracking number 9505514576142211875381, postmarked July 30, 2022, with the following address information:

Sender: Sarah James
27 Baroness Lane
Laguna Niguel, CA
92677

Addressee: Zack Burrows
1874 Palisades Drive
Dayton, OH. 45414

Based upon my prior training and experience as a Postal Inspector, I know that the Southern California area is a well-known drug source location.

4. I performed a check in the CLEAR database for the addressee’s information on the Package of “Zack Burrows 1874 Palisades Drive Dayton, OH. 45414.” CLEAR is a law enforcement database that is used as a tool by investigators designed to link subjects to a particular address. According to CLEAR, there is no “Zack Burrows” associated with 1874 Palisades Dr, Dayton, OH 45414.

5. I also performed a check in CLEAR for the sender’s information listed on the Package of “Sarah James 27 Baroness Lane Laguna Niguel, CA 92677.” According to CLEAR, there is no “Sarah James” associated with 27 Baroness Ln, Laguna Niguel, CA 92677.

6. On August 1, 2022, at my request, Montgomery County Sheriff’s Office Detective Anthony Hutson conducted a narcotics-detection canine “free air” check of the outside of the

Package. I was present during said check. The Package was placed in a controlled area and presented to narcotics-detection canine, "Hank." As set forth in the attached affidavit of Detective Hutson, "Hank" alerted positively for the presence or odor of a narcotic or other controlled substance. "Hank" is a trained and certified narcotics-detection canine.

7. Based on my prior law enforcement training and experience as a United States Postal Inspector, the following are all indicative of and consistent with Drugs and/or Proceeds being present in the Package: (i) the Package being sent (based on the Package's address information) from a known drug source location, (ii) the lack of a known association between the listed sender and the listed return address, (ii) the lack of a known association between the listed addressee and the listed recipient address, and (iv) the positive alert of the narcotics-detection canine.

Therefore, I respectfully request a search warrant to be issued authorizing the opening of the Package.

Further, your affiant sayeth naught.

Respectfully submitted,

Joseph L. Rossiter
Postal Inspector
United States Postal Inspection Service
